

**REMARKS**

The specification and claims have been amended to conform with the amended sheets accompanying the IPER, and to remove multiple dependent claims. The abstract has been added to conform to U.S. patent practice. Attached to the Preliminary Amendment is a Substitute Specification which incorporates the changed or amended sheet 2 annexed to the IPER. No new matter has been added.

In view of the above amendment, applicant believes the pending application is in condition for allowance.

Dated: March 13, 2006
